Himanshu Prajapati

Environmental Science Student | Tech Enthusiast
Kanpur, Uttar Pradesh, India

Summary

Environmental Science Student | Aspiring Entrepreneur | Tech Enthusiast

I'm a BSc Environmental Science student with a passion for technology, business, innovation, Finance and love for nature. Although My degree is in Env Science But my Major is in Biology so I also have great knowledge of Biology With a strong foundation in web development (HTML, CSS, JavaScript) & other Technologies, I enjoy solving problems and building solutions.

Extracurricular-

In the Start of this month I was the Coordinator for the Dance Club of my University So At that time I earned and used communication, problem-solving, teamwork, organization, and time management and event management for a Successful Annual Fest.

I also had Participated in Initiatives Such as Achieving Sustainable Development Goals in collaboration with bharat Sokka Gakkai and last month I've Volunteered in Tide Turner Plastic Challenge in my Campus.
